## **Haswell M. Franklin (Dr. Pin)**

Although never a wrestler himself, Haswell lives and breathes wrestling and has promoted the sport in various capacities for over 40 years. Most notably, he served as Chairman of the Maryland State Wrestling Association (MSWA) for more than 20 years. During that time the MSWA grew tremendously and expanded their footprint from an organization that went to the Junior Nationals to one that offers a wide variety of programs allowing wrestlers of all ages and ability levels to participate in the sport. More recently, he has focused his attention on expanding opportunities for novice wrestlers and having more age/weight competitions to allow kids to compete on a more equal level.

In 1984, Haswell started the Gilman Duals with the goal of bringing some of the top high schools from around the country to compete in a dual meet tournament, which was new at the time. The school renamed the event in his honor to the Haswell M. Franklin, '50 Gilman Duals in 2009. In 1986, he and the MSWA started the High School Senior Classic allowing the top seniors from the two public school classifications and the independent schools to compete against each other in a round robin event. Several years later the MSWA re-named that event in his honor as well.

In 2002, Haswell was named recipient of the Outstanding American Award by the National Wrestling Hall of Fame. The honor recognizes a person “who is prominent in the sport of wrestling and who has had significant achievement in their chosen profession.”

## **Danny Bertoni**

Seasoned Junior Terp veteran, Danny Bertoni, is our inaugural “Junior Terp of the Year”. Danny’s 2012/2013 season has been spectacular.

In the two toughest events on the Junior Terps’ schedule (the VAC Holiday Duals and the McDonogh Duals) Danny was a perfect 18-0. Danny surrendered only 2 total escape points during those entire 18 victories. In addition, the VAC coaches voted Danny the Junior Terps’ OW for the VAC Holiday Duals. When you add to those two events the NUWAY National Duals, Danny finished our 3 toughest duals events with a 26-1 record.

Over the years and again in 2013, Danny has represented Maryland in four Mason/Dixon Quad events. This past February Danny added his 7<sup>th</sup> Maryland State Youth State Championship. He actually “pinned” his way to that 7<sup>th</sup> State Championship. Thus far, Danny’s 2012/2013 record is 50-5.

Danny is a terrific example of how to prepare for a high school folkstyle career. For many years, he supported the Junior Terps’ National Teams. Danny seeks out the best duals competitions and the best individual competitions in the USA. We wish Danny much future success.
